6. The relief requested in defendant Bundy's Motion is not required in order to prevent a denial of a fair trial to Bundy and, if ordered by this Court, will deprive movants and the public of their rights to observe, to discuss and to report events transpiring in the course of criminal proceedings, which rights are secured by Amendments I, VI and XIV of the Constitution of the United States and by the Constitution of the State of Colorado.

WHEREFORE, movants respectfully request that they be granted leave by this Court to participate in the proceedings in this action on defendant Bundy's motion to proceed in camera, by way of presentation of legal argument and briefs, cross-examination of witnesses and presentation of evidence.

MOTION TO PROCEED IN CAMERA

COMES NOW the Defendant by and through his Court
appointed counsel and moves this Court for an Order barring
the news media and public from attending the Preliminary
Hearing and any and all other hearings where evidence is to be
presented or discussed and as grounds therefore alleges as fol-
lows:

The crime charged is a capital offense, there is
great local community interest in the case, and there is great
potential for further irreparable damage to the constitutional
right of a fair trial if articles in the news media comparable
to those already published are hereafter published. The previous
publications included descriptions of things which may be
inadmissible if offered at trial and are highly suggestive,
inflammatory, prejudicial and even inaccurate and misleading.

In view of such past publications there appears to
be no realistic way to prevent future repetition, other than
proceeding in Camera during this critical period between the
advisement and the trial.

WHEREFORE, Defendant respectfully prays the Court enter an Order such relief as requested and for such other and further relief as this Court may deem necessary and proper.

ORDER

THEODORE ROBERT BUNDY,)

Defendant.)

On February 3, 1977, defendant filed a Motion to Proceed In Camera requesting the Court to order that the news media and public be barred from attending the preliminary hearing and any and all other hearings where evidence is to be presented or discussed. Pursuant to a schedule previously adopted by the Court, a hearing will be held on such motion on February 28, 1977 at 9:00 a.m. It appears that the ruling on such motion may affect the interests of the news media and the public and that it is desirable that they have an opportunity to be heard. Accordingly,

IT IS ORDERED THAT the Court will entertain written motions on behalf of any interested representatives of the media and the public to participate in the hearing on the Motion to Proceed In Camera as amici curiae, through their counsel. Each such motion should specify the nature of participation desired by the moving party (e.g., presentation of legal argument and briefs only, cross-examination of witnesses, presentation of evidence).

IT IS FURTHER ORDERED THAT the clerk shall mail a copy of this order, together with a copy of the Motion to Proceed In Camera, to The Aspen Times, The Aspen Journal, KSPN, KSNO, The Glenwood Post, The Grand Junction Sentinel, The Denver Post, The

Rocky Mountain News, the ABC, CBS and NBC affiliates in Denver, Colorado, The Associated Press, United Press International and the Colorado Association of Broadcasters.

IT IS FURTHER ORDERED THAT a copy of this order and the Motion to Proceed In Camera shall be posted in a public place in the clerk's office and that copies of such documents be made available without charge to all who request them.

ARREST WARRANT

TO ALL PEACE OFFICERS OF THE STATE OF COLORADO:

WHEREAS, Michael J. Fisher has this day made before the undersigned District Court Judge an affidavit relating facts sufficient to establish probable cause that an offense has been committed and sufficient to establish probable cause that THEODORE ROBERT BUNDY committed that offense.

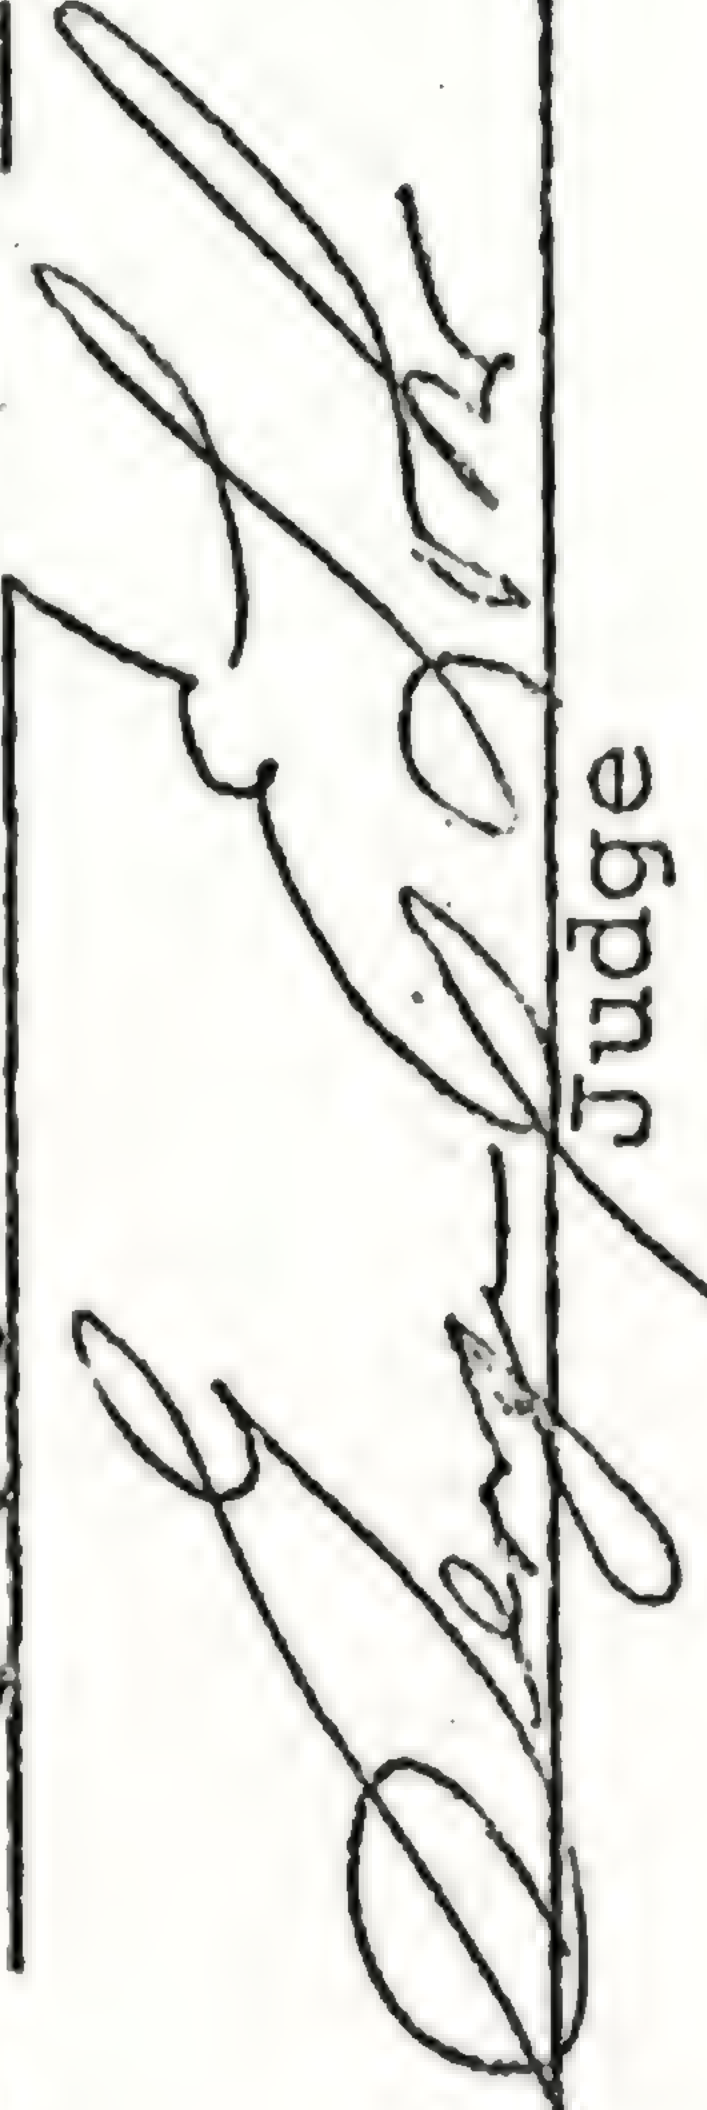

WE THEREFORE COMMAND YOU, that you take the body of THEODORE ROBERT BUNDY and safely keep him so that you have his body forthwith and without unnecessary delay before the nearest Judge of a court of record in the County of Pitkin, to be dealt with according to law.

YOU ARE FURTHER ORDERED to serve upon the person whose arrest is ordered by this warrant a copy of this warrant and a copy of the affidavit of Michael J. Fisher.

Bail for the person whose arrest is ordered by this warrant is set in the amount of \$25,000, and if such person makes the required bail before he can be brought without unnecessary delay before a judge of a court of record in Pitkin County, it is ordered that the person arrested by virtue of this warrant and making such bail, appear before the County Court in and for the County of Pitkin, State of Colorado, on the 15 day of November, 1976, at the hour of 8:30 o'clock, 9.m.

The bail set by this arrest warrant for the person whose arrest is ordered by this warrant shall be subject to revision at the time the person whose arrest is ordered by this warrant first appears before any judge of a court of record.

This the 21 day of October, 1976.

AFFIDAVIT FOR ARREST
WARRANT)

My name is Michael J. Fisher. I am the Chief Criminal Investigator of the Ninth Judicial District, State of Colorado. I have been so employed since February 1, 1974 and at all times relevant to this affidavit.

1. Your affiant states that on the 13th day of January, 1975, he received a call from William Baldrige of the Pitkin County Sheriff's Office to respond to the Wildwood Inn located in Snowmass at Aspen, Colorado, to investigate the disappearance of Caryn Eilene Campbell. On that date I interviewed Caryn Campbell's fiance, Dr. Raymond Gadowski, 27600 Gateway Drive East, Farmington Hills, Michigan. Dr. Gadowski related to me the following information. On January 12, 1975, Gadowski and Caryn Campbell returned to the Wildwood Inn where they were staying from the Stewpot Restaurant where they had dinner. They returned to the Wildwood Inn between 7:00 p.m. and 8:00 p.m. Immediately upon their return, Miss Campbell entered the elevator in the lobby of the Wildwood Inn. Dr. Gadowski states that when she entered the elevator, the elevator was empty and that it was her intent upon entering the elevator to go to their room located on the 2nd floor of the Wildwood Inn to obtain a magazine and to immediately return to the lobby to rejoin Dr. Gadowski. Dr. Gadowski further related to me that he never saw Caryn Campbell again after the doors in the elevator closed.
2. Your affiant further states that on February 26, 1976, he interviewed Mr. & Mrs. Leon Yoder, Denver, Colorado. The Yoder's related to your affiant that approximately 6:30 p.m. they observed Caryn Campbell, with whom they were familiar, exit the elevator on the 2nd floor of the Wildwood Inn. Miss Campbell told the Yoders that she was going to her room to get a magazine and that she would return immediately to the lobby.
3. Your affiant further states that extensive investigation including interviews with known associates of Caryn Campbell as well as showing Miss Campbell's picture to all people staying in the Wildwood Inn

the week of January 12, 1975, uncovered no other witnesses that saw Miss Campbell after the Yoders met her leaving the elevator to go to her room at approximately 6:30 p.m. on January 12, 1975.

4. Your affiant further states that the above mentioned Doctor Gadowski reported the disappearance of Caryn Campbell to the Pitkin County Sheriff's Office at approximately 10:00 p.m. on January 12, 1975, after she failed to return to the lobby of the Wildwood Inn.

5. Your affiant further states that on February 17, 1975, he received a call informing him that a body had been found on Owl Creek Road just west of the Sinclair Divide summit. On that date, your affiant responded to said location and did personally view a dead female body. The body was nude and was found on the south side of Owl Creek Road 2.8 miles N.E. of the Wildwood Inn from where Caryn Campbell disappeared.

6. On February 17, 1975, after viewing the aforementioned body your affiant contacted personnel in the Denver Coroner's Morgue and made arrangements to have the body transported to Howard Mortuary in Denver, Colo. The body was transported to Howard Mortuary and was personally accompanied by Sheriff Carrol Whitmire.

7. Your affiant has personally spoken to Sheriff Whitmire and Sheriff Whitmire has related to your affiant that he was personally present on February 18, 1975, at Howard Mortuary in Denver when an autopsy was performed on the aforementioned body by Dr. Donald M. Clark, 1815 West Davies, Littleton, Colorado. Your affiant has personally seen a copy of the autopsy report by Dr. Clark and informs this Court that according to Dr. Clark the cause of death was blows to the back of the head with a blunt object combined with exposure to sub zero weather. (see autopsy report of Dr. Clark attached hereto as exhibit "A").

8. Your affiant further states that between the time that Caryn Campbell disappeared on January 12, 1975, and the body was discovered on February 17, 1975, he obtained from Caryn Campbell's personal dentist, Dr. Stanley McBride, D.D.S., 15600 Michigan Ave., Dearborn, MI. the dental charts and dental X-rays of the missing girl, Caryn Campbell. Your affiant further states that he personally gave these dental charts and X-rays to Carrol Whitmire and Whitmire carried said items with the

body to Howard Mortuary in Denver. Whitmire has told your affiant that on February 18, 1975, Dr. Richard H. Mentzer, D.D.S. 2045 Franklin Street Suite 806, Denver, compared the dental charts and X-rays of Caryn Campbell with that of the dental work of the aforementioned body. Your affiant has personally viewed a written report from Dr. Mentzer and Dr. Mentzer states that it is his unqualified opinion that after comparing the dental charts and the X-rays with the dental work on the body, that the body is in fact Caryn Eilene Campbell. (See report of Dr. Mentzer attached hereto as Exhibit "B").

9. During the course of your affiant's investigation into the death of Caryn Campbell it became apparent that Miss Campbell fit the description of several females who disappeared in the states of Washington and Utah as well as others in the state of Colorado. In communicating with authorities in those various jurisdictions, the name of a possible suspect with connections in all three states appeared. The name of said suspect was Theodore Robert Bundy. After receiving this name, your affiant obtained a photograph of suspect Bundy, and presented a photographic lineup containing said picture to all Wildwood Inn employees as of January 12, 1975, as well as to several of the Wildwood Inn guests on January 12, 1975.

10. On January 9, 1976, your affiant personally presented a photographic lineup consisting of seven photographs including that of Theodore Robert Bundy to a Mrs. Lesbeth Harter. Mrs. Harter was staying in the Wildwood Inn on January 12, 1975. She is in her late 40's or early 50's. After viewing said lineup, Mrs. Harter held up the photograph of Theodore Robert Bundy and inquired of your affiant, "how tall is he?" After this inquiry, your affiant showed Mrs. Harter one large photograph of an actual lineup in which Theodore Bundy was a participant. This photograph was taken in Salt Lake City, Utah, and Bundy is one of 8 people in the lineup. The photograph was provided by Detective Jerry Thompson of the Salt Lake County Sheriff's Dept. who personally viewed the lineup. The lineup is done against a wall with measurements on it which allows the person viewing the lineup to determine the height of the individuals. After viewing this photograph Mrs. Harter pointed to Theodore Robert Bundy and stated, "that's the strange man by the elevator." Upon inquiry of Mrs. Harter, your

affiant learned that Mrs. Harter had seen suspect Bundy on the 1st floor of the Wildwood Inn, one floor above the lobby, one floor below where Caryn Campbell was last seen. She further stated that she saw Bundy walk past the elevator on the 1st floor of the Wildwood Inn between 6:00 and 6:15 p.m. on January 12, 1975.

11. Your affiant states that he has personally been in contact with Detective Jerry Thompson of the Salt Lake County Sheriff's Office. Det. Thompson has stated to your affiant that on 1-12-75, the same Theodore Robert Bundy that Mrs. Harter saw near the elevator from which Caryn Campbell disappeared was enrolled in the University of Utah Law School and resided at 565 First Ave. #2, Salt Lake City, Utah.

12. Your affiant states that during the course of the investigation, he obtained information that Theodore Robert Bundy possessed a Chevron Oil Company credit card. Your affiant further states that he inquired of the Chevron Oil Company for information concerning any use of said card from December 31, 1974, to July, 1975. Due to this inquiry, your affiant has personally viewed and has in his possession copies of Chevron Credit card slips signed by Theodore Robert Bundy. These signatures are similar to and differ in no respects evident to your affiant from a sample signature of Theodore Robert Bundy provided by Det. Jerry Thompson. The sample signature is that of the same person identified by Mrs. Harter as being in Snowmass at Aspen on January 12, 1975. The credit card receipts provide the following information: On January 10, 1975, Theodore Robert Bundy purchased gas with this credit card three separate times at Beckstead Chevron in Salt Lake City, Utah. On January 12, 1975, Theodore Robert Bundy purchased gas with his credit card at Grant-Clayton Chevron in Glenwood Springs, Colorado. On January 13, 1975, suspect Bundy purchased gas at Adairs Chevron in Glenwood Springs, Colorado. Furthermore, on January 13, 1975, suspect Bundy purchased gas in Green River, Utah. Your affiant states that he has personally travelled several times between Aspen, Colo. and Salt Lake City, Utah, and that Green River, Utah, is on the most direct route between Salt Lake and Aspen. On January 14, 1975, suspect Bundy purchased gas at Beckstead Chevron in Salt Lake City, Utah.

Your affiant further states that on all of the aforementioned gas purchase receipts, the license number given by the signor is Washington plate IBH-521. Your affiant states that he ran said license plate for vehicle registration information as pertaining to the aforementioned license plate. Your affiant states that he obtained the following information as a result of said inquiry. The vehicle was a 1968 Volkswagen, VIN #118731185 and was registered in the name of Theodore R. Bundy. Furthermore, the vehicle was stated to be out of state and in fact in the State of Utah.

13. Your affiant states that he has personally contacted Det. Jerry Thompson and Thompson has related to him that while investigating Theodore Robert Bundy on another matter, Thompson asked Bundy if he had ever been in Aspen, Colorado, and Bundy replied "no, I have never been in that state". Furthermore, Thompson related that during a search of suspect Bundy's apartment, a skier guide for western states was found. Thompson further states that said guide contained a section on Aspen and that the portion of said guide that discussed the Wildwood Inn was checked.

14. Your affiant states that Det. Jerry Thompson has stated to your affiant that on October 15, 1975, the 1968 Volkswagen VIN #118731185 owned by the aforementioned Theodore Robert Bundy, was seized pursuant to a search warrant unrelated to the Campbell case in Salt Lake City, Utah. He further states that after said seizure, he personally vacuumed said car in order to obtain any possible hair samples that said vehicle might contain. Thompson further stated to your affiant that in fact several hairs were obtained from the Bundy vehicle. These hairs were obtained from various parts of the vehicle. Your affiant states that Sheriff Whitmire and Lt. Baldrige stated to him that during the autopsy on Caryn Campbell, hair samples were taken from Miss Campbell. They further stated that these hair samples were taken by themselves and subsequently sent to the F.B.I. Laboratory in Washington, D.C.

Detective Thompson has stated to your affiant that the hairs obtained from the Bundy vehicle were sent to the same F.B.I. Laboratory for possible comparison to the hairs obtained from the head of victim Caryn Campbell.

15. Your affiant states that on February 9, 1976, he received from Robert Neil of the F.B.I. Laboratory, a report that stated that the hair samples of Caryn Campbell were microscopically indistinguishable from hairs obtained from the front floor mat in the above mentioned Bundy vehicle as well as from the trunk of the Bundy vehicle. Your affiant further states that he has personally contacted Mr. Neil and Mr. Neil has related to your affiant that the hairs taken from the Bundy vehicle either belonged to Caryn Campbell or belonged to another caucasian with hair that had identical microscopic characteristics, who had direct or indirect contact with the floor mat and the trunk of the Bundy vehicle.

16. Robert Neil further stated to your affiant that a pubic hair taken from the Bundy vehicle was microscopically indistinguishable from a pubic hair which was taken from a Melissa Smith. Detective Thompson has stated to your affiant that said Melissa Smith was a homicide victim whose body was recovered in the State of Utah in 1974. Neil further stated that the pubic hair taken from the Bundy vehicle was either that of Melissa Smith or that of a caucasian person with pubic hair that exhibits identical microscopic characteristics who had direct or indirect contact with the trunk of the Bundy vehicle.

17. Robert Neil has further related to your affiant that another head hair taken from somewhere in the Bundy vehicle was microscopically indistinguishable from that of a Carol DaRonch. Det. Thompson as well as Deputy District Attorney David Yocum have related to me that Miss DaRonch was a kidnap victim on November 8, 1974. (See paragraph 19 for a further discussion of the DaRonch incident). Neil stated that the hair taken from the Bundy vehicle was either that of Miss Carol DaRonch or from another caucasian person with hair that exhibits identical microscopic characteristics who had contact with the Bundy vehicle.

18. Robert Neil further related to your affiant that he has been doing microscopic hair comparison for the F.B.I. since 1963. He further stated that this has encompassed approximately 4 to 5 thousand microscopic hair comparisons. Furthermore, Neil stated to your affiant

that at least several hundred of these 4 to 5 thousand comparisons involved cases with one suspect and multiple victims. Finally Neil stated that this case is the first case out of these several hundred that multiple known hairs of the victims have been microscopically indistinguishable from multiple unknown hairs taken from a source belonging to the suspect.

19. As stated above in paragraph 17, Detective Thompson and Deputy District Attorney David Yocum have related to your affiant that Carol DaRonch was a kidnap victim in Salt Lake City on November 8, 1974. In addition, they have related to your affiant the following facts, and also your affiant has personally viewed a transcript of the testimony of Miss DaRonch given in Salt Lake City District Court on February 23, 1976 and said testimony relates the following. On November 8, 1974, Miss DaRonch was enticed into entering a light colored Volkswagen by a person she positively identified in court as Theodore Robert Bundy. This is the same person as identified by Mrs. Harter as discussed above. Miss DaRonch further testified that while in said Volkswagen, Bundy attempted to place a handcuff on Miss DaRonch. Further, Miss DaRonch stated that Theodore Robert Bundy, before she had a chance to escape attempted to strike her on the head with a crowbar. Miss DaRonch has further stated that Bundy was unsuccessful in his attempt to strike her and that she was subsequently able to escape.

Detective Thompson has related to your affiant that after the Bundy vehicle was seized, he personally was present when Miss DaRonch stated that said vehicle was that used by Bundy on November 8, 1974. The VIN # on the vehicle which Miss DaRonch positively identified was 118731185. This is the same VIN Number as that of the vehicle used when gas was purchased in Glenwood Springs on January 12, 1975 and January 13, 1975. Furthermore, Thompson stated that found in Bundy's vehicle when he was first arrested for a traffic offense on August 16, 1975, was a satchel containing handcuffs and a crowbar.

Theodore Robert Bundy, the same individual as that mentioned throughout this affidavit was convicted of first degree kidnap of Carol DaRonch; he was sentenced for second degree kidnap in this incident, and

according to Thompson and Yocum, is presently serving one to fifteen years in the Utah State Prison.

Based on the foregoing facts, your affiant has probable cause to believe that Theodore Robert Bundy did commit the crime of first degree murder in violation of C.R.S. 1973, 18-3-102, as amended. Therefore, I request that a warrant issue for the arrest of Theodore Robert Bundy from the District Court of Pitkin County, State of Colorado.

Date of Autopsy: 2-18-75
Coroner's Office, Pitkin County
Stated Age: 23 years
Stated Date of Death: None given
M-27-75

SUMMARY OF FINDINGS:

1. A. Decomposition, moderate
B. Destruction of tissues - head, neck, and upper chest
(consistent with animal destruction)
2. A. Lacerations - scalp, posterior
B. Fracture - posterior fossa of skull
(consistent with blunt trauma)

SUMMARY OF DEATH:

The determination of disease processes and possible trauma was hampered in this woman by the decomposition and the apparent animal destruction, in particular to the head and neck. The only determination possible as regards the neck was that the cervical vertebrae were not fractured or dislocated. On the head there were areas of destruction on the posterior scalp and the skull under this consistent with blunt trauma; additionally, there was a slit in the left ear lobe consistent with a laceration. The mentioned changes in the head are of such nature as to be of sufficient degree to be a possible cause of death; particularly if not treated and combined with exposure (e.g. a nude body in a cold environment).

The level of barbiturate found was not of a level to be a cause of death and the remaining body organs showed no disease processes or no definite areas of trauma, in particular the sexual organs showed no trauma. The presence of acid phosphatase in the vagina would only indicate probable intercourse a short time prior to death or after death; no definitive proof in the form of spermatozoa were found.

In summary, the autopsy was somewhat limited due to body destruction but based on the findings the most probable cause of death was brain injury due to blunt trauma to the head.

AUTOPSY REPORT

Performed by
Donald M. Clark, M.D.

SUMMARY: The body was first seen by me in the A.M. of 2-18-75, in the Denver Coroner's Morgue, the body unidentified at that time. Present at that time and during the autopsy were Sheriff C. D. Whitmire and Det. Sgt. W. A. Baldrige of the Pitkin Sheriff's Dept. At this time the body was in a crash bag, was nude, decomposed to some degree, partially frozen and partially destroyed by animals particularly in the head and neck area.

The autopsy was begun at 5:00 P.M. on 2-18-75, in Howard Mortuary in Denver, Colorado. Present during the autopsy were Sgt. Baldrige, Sheriff Whitmire, Dr. W. B. Galloway and Dr. R. H. Mentzer D.D.S. At this time a provisional identification of the body as that of Caryn E. Campbell was made by Dr. Mentzer based on dental patterns and by the above persons present, based on physical characteristics. Autopsy completed at 8:30 P.M. on 2-18-75.

This is the nude, cold, partially decomposed, lax body of what appears to have been a white female, age estimated at mid twenties. Height 5'5", weight 100 lbs. The body shows very extensive artifactual distortion and is still partially frozen. There is ice around the pubic area; the abdominal wall has almost solid appearance and, when first seen in the morning, a greater portion of the body was frozen solid. In the intervening hours, the body has thawed for the most part. The most obvious changes are that the flesh of the head, the face, the ear regions, the greater portions of the neck down onto the chest (essentially the supra-sternal area down on the shoulders and down over the back to include both scapulae) has been removed. In these areas, it is almost totally skeletonized. This change is particularly prominent over the scapulae and the cervical vertebra which shows little remaining flesh. Only a few strands of fascia remain. Over the head, scalp hair remains for the most part other than the frontal area where it is absent. The eyes are absent from the orbits; the nasal bones have been eroded. The soft tissue around the mouth has been removed; however, the dentition is intact, in good condition showing evidence of fillings. The left lower second molar has been rather irregularly shattered or chipped. The remaining skin shows blotching, greenish, reddish, as well as blue discoloration. Some of these have the appearance of bruising, either postmortem or premortem. The skin has a rather tissue paper appearance. There are venous markings over the abdomen and the legs and on the arms there is linear destruction of the skin in many planes. The left hand and fingers show extensive decomposition which has progressed to a dark brownish-red in that it is tending to leatherize. The palmar surfaces, however, remain somewhat intact. The right hand shows better preservation.

GENERAL EXAMINATION: The eyebrows and the eyes absent, the orbital cavities essentially empty, the soft tissue about and within the mouth is absent, and there is no tongue, hyoid bone, larynx or thyroid. The trachea is present only within the chest. The upper portions of the right lung and the left lung have

also been removed. The described areas of destruction of tissue are consistent with damage by animals. The breasts have $1\frac{1}{2}$ inch across brownish protruding nipples. The breast tissue is unremarkable. The chest is of unremarkable contour and the abdomen is not distended. No scars are noted; however, there are vertical striae across the lower abdomen both left and right. Pubic hair is pale brunette, the labia are unremarkable. Examination of the introitus shows no damage, with no evidence of bruising or destruction of the mucosa. The mucosa is intact, introital area admits two fingers; the vagina is well preserved and is unremarkable, no foreign bodies being noted. The anus is unremarkable, mucosa intact, no evidence of bruising or destruction; at this time, it is somewhat dilated due to decomposition.

EXTREMITIES: The digits are present as are the nails. The nails of the hands are well cared for; they have a pale pinkish, somewhat silver, nail polish. The nails of the feet are intact and unremarkable. No edema and no joint changes are noted.

SKIN: The skin shows very extensive areas of mottling, discoloration consistent with decomposition as well as the areas of destruction consistent with animal destruction of the head and shoulders. The skin otherwise appears to have been Caucasian, and no identifying marks are noted. No rings are present on the hands.

Areas of apparent trauma are noted as follow:

- 1) On the right thigh, the lateral surface, irregular areas of discoloration, somewhat bruising, linear associated with fine scratch type marks on the skin. This extends from the lateral right thigh around onto the posterior thigh where there are irregular linear markings somewhat scrape-like with associated bluish-green discoloration out for approximately an inch. These cover a total area of 6-8 inches; no areas of deep destruction are noted on cutting into the tissues.
- 2) On the scalp posterior there are as follow, 3 areas of somewhat transverse breaks in the scalp: A - extending from the right occipital protuberance around towards the area of the right ear (the right ear is totally absent at this time), this a 2 inch long, irregular break in the scalp which has a very dark discoloration of the edge and of the underlying scalp tissues. The edges are somewhat ragged as if destruction from animals. B - Beginning just to the left of the midline extending under the occipital protuberance laterally for a distance of $1\frac{1}{2}$ inches, a gaping transverse break in the scalp and in its central portion has a transverse cut in the pericranium and on examining the cranium in this area there is a fine $1/8$ inch x $1/16$ inch chip of bone removed from the cranium, this in association with the transverse fine line. There is little or no discoloration of the scalp around this area. C - To the left of the midline, slightly below area B. and below the left occipital protuberance (approximately 1 inch below) is a transverse $1-1\frac{1}{4}$ inch long break in the scalp which extends through the tissue of the scalp but does not extend into the pericranium. On opening the head, there is no hemorrhage in the dural or the subarachnoid spaces.

CAMPBELL, Caryn E.

AUTOPSY REPORT

Performed by
Donald M. Clark, M.D.

BRAIN: The brain surface is unremarkable and there is no evidence of hemorrhage or destruction; it appears to have an unremarkable contour. On cut surface, it has a soft mushy appearance; however, the corticomedullary tissue shows no evidence of destruction, hemorrhage or old scarring. In the right occipital area extending from just above the tentorium down across the midportion of the right posterior fossa and extending over to the right mastoid area is an irregular area fracturing without any degree of separation or of depression. The upper end of this extends up to but not under the described breaks in the scalp and extends over to the right mastoid area which is almost totally removed as if it had been destroyed by animals, (the mastoid bone irregularly removed in this area). This is a fine fracture without any hemorrhage or apparent change in the underlying right cerebellar hemisphere. The cerebellar hemispheres themselves appear unremarkable. The upper cord is unremarkable. Cervical vertebral attachments appear unremarkable and no fleshy tissue remains for examination.

CHEST AND ABDOMEN: Chest and abdomen are opened through the usual Y-shaped incision to reveal approximately 2 cm. of adipose tissue and intact rib cage with unremarkable musculature. Lungs at this time are collapsed, are pink and have unremarkable parenchyma. The trachea has been almost totally removed and the major bronchi appear unremarkable. The thymus is not identified; hilar lymph nodes are somewhat anthracotic.

HEART: Pericardial sac essentially clear, heart of normal contour and appears to have been of unremarkable size. The myocardium is decomposed but appears to have unremarkable thickness. Endocardium shows no changes. Valves unremarkable, septa are intact, and the coronary arteries unremarkable. Aorta and great vessels unremarkable. Pulmonary artery contains no thrombi.

GASTROINTESTINAL TRACT: The esophagus is unremarkable. Stomach is distended with semi-liquid particulate food matter. This food matter measures 400 cc., consists of vegetables, green, yellow and red; the red and green vegetable matter consistent with skins of peppers. There are large white fragments of soft material consistent with milk and large fragments of intact meat. The whole of this has a somewhat greenish appearance, but does include a large amount of food content, apparently milk, vegetables and meat. Pylorus unremarkable. Small bowel unremarkable throughout, contains no solid matter. Appendix present and unremarkable. Large bowel contains no fecal matter at this time and is unremarkable. The rectum is unremarkable with no evidence of trauma.

LIVER: Unremarkable size and unremarkable cut section.

GALLBLADDER: Thin walled, contains less than 5 cc. of bright yellowish bile; no calculi. Common cystic ducts unremarkable and portal vein unremarkable.

AUTOPSY REPORT

CAMPBELL, Caryn E.

Performed by
Donald M. Clark, M.D.

PANCREAS: Almost totally autolyzed, appears to have been unremarkable.

ADRENALS: Unremarkable, left and right, on surface and cut section.

KIDNEYS: Small and unremarkable both on surface and cut section.
Ureters show no changes.

BLADDER: Collapsed at this time; no urine present. Mucosa unremarkable.

SPLEEN: Unremarkable size and unremarkable on surface and on cut section

INTERNAL GENITALIA: There are fine fibrous adhesions on the left side; however, the ovaries, fallopian tubes and the uterus are otherwise unremarkable. The uterus is not enlarged; it is symmetrical. Endometrium unremarkable. Cervix unremarkable and the upper vagina shows no evidence of trauma or foreign bodies.

BONY STRUCTURES: The pelvic bones, the vertebra and the ribs appear intact. The organs of the abdomen show some degree of decomposition, however, much less than the remaining tissues. There, in particular, is no evidence of trauma about the pubic area.

ADDITIONAL SURFACE EXAMINATION:

Markings:

1. Two small nevi on the right breast, one above and one below the nipple, approximately 1/8 inch across.
2. In the middle back, 1-2 in. to the left of the midline, a 3/8 inch across brown nevus.
3. Over the left occipital prominence is a 1 inch long, somewhat oblique, well healed, white area of bald scalp consistent with an old scar.

The hair has a slight wave, is long, and is a dark brunette in color. The right ear is totally absent. The left external ear is present and on the lower surface of the lobe there is a transverse slit which almost bisects the lower lobe; this slit is continuous with a fine slit over the left mastoid, that is the skin in this area which remains is slit as if cut with a sharp instrument. The mastoid bone itself is intact and there is no evidence of fracturing of this area. The areas of apparent animal destruction are extensive and include not only the shoulder region and the neck but also extend down the back below the scapulae and on the right chest anterior includes a greater portion of the right breast.

MICROSCOPIC EXAMINATION: Sections labelled M-27-75

SKIN: There are breaks in the skin, at this time showing soft tissue autolysis and no reactive changes. In one section there is a bland appearing, small compound nevus.

Dental Examination of the body of Caryen Campbell (M-27)

Findings:

- 1) Charting of restorations in deceased's teeth match up perfectly with those of x-rays supplied by Sheriff Carroll D. Whitmire. They also correlate with the fillings placed in the lower right molars by the former dentist after the x-rays were taken.
- 2) Lower impacted wisdom teeth with the left being higher than the right as in supplied x-rays.
- 3) The distal buccal cusp of the lower left second molar was fractured off below the gum line. No decay seemed present in this tooth.

It is my unqualified opinion based on the dental x-rays supplied to me that the deceased matches up with those x-rays and is, indeed, Caryen Campbell.

AFFIDAVIT FOR ARREST

COUNTY OF PITKIN

)

WARRANT

My name is Michael J. Fisher. I am the Chief Criminal Investigator of the Ninth Judicial District, State of Colorado. I have been so employed since February 1, 1974 and at all times relevant to this affidavit.

1. Your affiant states that on the 13th day of January, 1975, he received a call from William Baldridge of the Pitkin County Sheriff's Office to respond to the Wildwood Inn located in Snowmass at Aspen, Colorado, to investigate the disappearance of Caryn Eilene Campbell. On that date I interviewed Caryn Campbell's fiance, Dr. Raymond Gadowski, 27600 Gateway Drive East, Farmington Hills, Michigan. Dr. Gadowski related to me the following information. On January 12, 1975, Gadowski and Caryn Campbell returned to the Wildwood Inn where they were staying from the Stewpot Restaurant where they had dinner. They returned to the Wildwood Inn between 7:00 p.m. and 8:00 p.m. Immediately upon their return, Miss Campbell entered the elevator in the lobby of the Wildwood Inn. Dr. Gadowski states that when she entered the elevator, the elevator was empty and that it was her intent upon entering the elevator to go to their room located on the 2nd floor of the Wildwood Inn to obtain a magazine and to immediately return to the lobby to rejoin Dr. Gadowski. Dr. Gadowski further related to me that he never saw Caryn Campbell again after the doors in the elevator closed.
2. Your affiant further states that on February 26, 1976, he interviewed Mr. & Mrs. Leon Yoder, The Yoder's related to your affiant that approximately 6:30 p.m. they observed Caryn Campbell, with whom they were familiar, exit the elevator on the 2nd floor of the Wildwood Inn. Miss Campbell told the Yoders that she was going to her room to get a magazine and that she would return immediately to the lobby.
3. Your affiant further states that extensive investigation including interviews with known associates of Caryn Campbell as well as showing Miss Campbell's picture to all people staying in the Wildwood Inn

the week of January 12, 1975, uncovered no other witnesses that saw Miss Campbell after the Yoders met her leaving the elevator to go to her room at approximately 6:30 p.m. on January 12, 1975.

4. Your affiant further states that the above mentioned Doctor Gadowski reported the disappearance of Caryn Campbell to the Pitkin County Sheriff's Office at approximately 10:00 p.m. on January 12, 1975, after she failed to return to the lobby of the Wildwood Inn.

5. Your affiant further states that on February 17, 1975, he received a call informing him that a body had been found on Owl Creek Road just west of the Sinclair Divide summit. On that date, your affiant responded to said location and did personally view a dead female body. The body was nude and was found on the south side of Owl Creek Road 2.8 miles N.E. of the Wildwood Inn from where Caryn Campbell disappeared.

6. On February 17, 1975, after viewing the aforementioned body your affiant contacted personnel in the Denver Coroner's Morgue and made arrangements to have the body transported to Howard Mortuary in Denver, Colo. The body was transported to Howard Mortuary and was personally accompanied by Sheriff Carrol Whitmire.

7. Your affiant has personally spoken to Sheriff Whitmire and Sheriff Whitmire has related to your affiant that he was personally present on February 18, 1975, at Howard Mortuary in Denver when an autopsy was performed on the aforementioned body by Dr. Donald M. Clark, 1815 West Davies, Littleton, Colorado. Your affiant has personally seen a copy of the autopsy report by Dr. Clark and informs this Court that according to Dr. Clark the cause of death was blows to the back of the head with a blunt object combined with exposure to sub zero weather. (see autopsy report of Dr. Clark attached hereto as exhibit "A").

8. Your affiant further states that between the time that Caryn Campbell disappeared on January 12, 1975, and the body was discovered on February 17, 1975, he obtained from Caryn Campbell's personal dentist, Dr. Stanley McBride, D.D.S., 15600 Michigan Ave., Dearborn, MI. the dental charts and dental X-rays of the missing girl, Caryn Campbell. Your affiant further states that he personally gave these dental charts and X-rays to Carrol Whitmire and Whitmire carried said items with the

body to Howard Mortuary in Denver. Whitmire has told your affiant that on February 18, 1975, Dr. Richard H. Mentzer, D.D.S. 2045 Franklin Street Suite 806, Denver, compared the dental charts and X-rays of Caryn Campbell with that of the dental work of the aforementioned body. Your affiant has personally viewed a written report from Dr. Mentzer and Dr. Mentzer states that it is his unqualified opinion that after comparing the dental charts and the X-rays with the dental work on the body, that the body is in fact Caryn Eilene Campbell. (See report of Dr. Mentzer attached hereto as Exhibit "B").

9. During the course of your affiant's investigation into the death of Caryn Campbell it became apparent that Miss Campbell fit the description of several females who disappeared in the states of Washington and Utah as well as others in the state of Colorado. In communicating with authorities in those various jurisdictions, the name of a possible suspect with connections in all three states appeared. The name of said suspect was Theodore Robert Bundy. After receiving this name, your affiant obtained a photograph of suspect Bundy, and presented a photographic lineup containing said picture to all Wildwood Inn employees as of January 12, 1975, as well as to several of the Wildwood Inn guests on January 12, 1975.

10. On January 9, 1976, your affiant personally presented a photographic lineup consisting of seven photographs including that of Theodore Robert Bundy to a Mrs. Lesbeth Harter. Mrs. Harter was staying in the Wildwood Inn on January 12, 1975. She is in her late 40's or early 50's. After viewing said lineup, Mrs. Harter held up the photograph of Theodore Robert Bundy and inquired of your affiant, "how tall is he?" After this inquiry, your affiant showed Mrs. Harter one large photograph of an actual lineup in which Theodore Bundy was a participant. This photograph was taken in Salt Lake City, Utah, and Bundy is one of 8 people in the lineup. The photograph was provided by Detective Jerry Thompson of the Salt Lake County Sheriff's Dept. who personally viewed the lineup. The lineup is done against a wall with measurements on it which allows the person viewing the lineup to determine the height of the individuals. After viewing this photograph Mrs. Harter pointed to Theodore Robert Bundy and stated, "that's the strange man by the elevator." Upon inquiry of Mrs. Harter, your

affiant learned that Mrs. Harter had seen suspect Bundy on the 1st floor of the Wildwood Inn, one floor above the lobby, one floor below where Caryn Campbell was last seen. She further stated that she saw Bundy walk past the elevator on the 1st floor of the Wildwood Inn between 6:00 and 6:15 p.m. on January 12, 1975.

11. Your affiant states that he has personally been in contact with Detective Jerry Thompson of the Salt Lake County Sheriff's Office. Det. Thompson has stated to your affiant that on 1-12-75, the same Theodore Robert Bundy that Mrs. Harter saw near the elevator from which Caryn Campbell disappeared was enrolled in the University of Utah Law School and resided at 565 First Ave. #2, Salt Lake City, Utah.

12. Your affiant states that during the course of the investigation, he obtained information that Theodore Robert Bundy possessed a Chevron Oil Company credit card. Your affiant further states that he inquired of the Chevron Oil Company for information concerning any use of said card from December 31, 1974, to July, 1975. Due to this inquiry, your affiant has personally viewed and has in his possession copies of Chevron Credit card slips signed by Theodore Robert Bundy. These signatures are similar to and differ in no respects evident to your affiant from a sample signature of Theodore Robert Bundy provided by Det. Jerry Thompson. The sample signature is that of the same person identified by Mrs. Harter as being in Snowmass at Aspen on January 12, 1975. The credit card receipts provide the following information: On January 10, 1975, Theodore Robert Bundy purchased gas with this credit card three separate times at Beckstead Chevron in Salt Lake City, Utah. On January 12, 1975, Theodore Robert Bundy purchased gas with his credit card at Grant-Clayton Chevron in Glenwood Springs, Colorado. On January 13, 1975, suspect Bundy purchased gas at Adairs Chevron in Glenwood Springs, Colorado. Furthermore, on January 13, 1975, suspect Bundy purchased gas in Green River, Utah. Your affiant states that he has personally travelled several times between Aspen, Colo. and Salt Lake City, Utah, and that Green River, Utah, is on the most direct route between Salt Lake and Aspen. On January 14, 1975, suspect Bundy purchased gas at Beckstead Chevron in Salt Lake City, Utah.

Your affiant further states that on all of the aforementioned gas purchase receipts, the license number given by the signor is Washington plate IBH-521. Your affiant states that he ran said license plate for vehicle registration information as pertaining to the aforementioned license plate. Your affiant states that he obtained the following information as a result of said inquiry. The vehicle was a 1968 Volkswagon, VIN #118731185 and was registered in the name of Theodore R. Bundy. Furthermore, the vehicle was stated to be out of state and in fact in the State of Utah.

13. Your affiant states that he has personally contacted Det. Jerry Thompson and Thompson has related to him that while investigating Theodore Robert Bundy on another matter, Thompson asked Bundy if he had ever been in Aspen, Colorado, and Bundy replied "no, I have never been in that state". Furthermore, Thompson related that during a search of suspect Bundy's apartment, a skier guide for western states was found. Thompson further states that said guide contained a section on Aspen and that the portion of said guide that discussed the Wildwood Inn was checked.

14. Your affiant states that Det. Jerry Thompson has stated to your affiant that on October 15, 1975, the 1968 Volkswagon VIN #118731185 owned by the aforementioned Theodore Robert Bundy, was seized pursuant to a search warrant unrelated to the Campbell case in Salt Lake City, Utah. He further states that after said seizure, he personally vacuumed said car in order to obtain any possible hair samples that said vehicle might contain. Thompson further stated to your affiant that in fact several hairs were obtained from the Bundy vehicle. These hairs were obtained from various parts of the vehicle. Your affiant states that Sheriff Whitmire and Lt. Baldrige stated to him that during the autopsy on Caryn Campbell, hair samples were taken from Miss Campbell. They further stated that these hair samples were taken by themselves and subsequently sent to the F.B.I. Laboratory in Washington, D.C.

Detective Thompson has stated to your affiant that the hairs obtained from the Bundy vehicle were sent to the same F.B.I. Laboratory for possible comparison to the hairs obtained from the head of victim Caryn Campbell.

15. Your affiant states that on February 9, 1976, he received from Robert Neil of the F.B.I. Laboratory, a report that stated that the hair samples of Caryn Campbell were microscopically indistinguishable from hairs obtained from the front floor mat in the above mentioned Bundy vehicle as well as from the trunk of the Bundy vehicle. Your affiant further states that he has personally contacted Mr. Neil and Mr. Neil has related to your affiant that the hairs taken from the Bundy vehicle either belonged to Caryn Campbell or belonged to another caucasian with hair that had identical microscopic characteristics, who had direct or indirect contact with the floor mat and the trunk of the Bundy vehicle.

16. Robert Neil further stated to your affiant that a pubic hair taken from the Bundy vehicle was microscopically indistinguishable from a pubic hair which was taken from a Melissa Smith. Detective Thompson has stated to your affiant that said Melissa Smith was a homicide victim whose body was recovered in the State of Utah in 1974. Neil further stated that the pubic hair taken from the Bundy vehicle was either that of Melissa Smith or that of a caucasian person with pubic hair that exhibits identical microscopic characteristics who had direct or indirect contact with the trunk of the Bundy vehicle.

17. Robert Neil has further related to your affiant that another head hair taken from somewhere in the Bundy vehicle was microscopically indistinguishable from that of a Carol DaRonch. Det. Thompson as well as Deputy District Attorney David Yocum have related to me that Miss DaRonch was a kidnap victim on November 8, 1974. (See paragraph 19 for a further discussion of the DaRonch incident). Neil stated that the hair taken from the Bundy vehicle was either that of Miss Carol DaRonch or from another caucasian person with hair that exhibits identical microscopic characteristics who had contact with the Bundy vehicle.

18. Robert Neil further related to your affiant that he has been doing microscopic hair comparison for the F.B.I. since 1963. He further stated that this has encompassed approximately 4 to 5 thousand microscopic hair comparisons. Furthermore, Neil stated to your affiant

that at least several hundred of these 4 to 5 thousand comparisons involved cases with one suspect and multiple victims. Finally Neil stated that this case is the first case out of these several hundred that multiple known hairs of the victims have been microscopically indistinguishable from multiple unknown hairs taken from a source belonging to the suspect.

19. As stated above in paragraph 17, Detective Thompson and Deputy District Attorney David Yocum have related to your affiant that Carol DaRonch was a kidnap victim in Salt Lake City on November 8, 1974. In addition, they have related to your affiant the following facts, and also your affiant has personally viewed a transcript of the testimony of Miss DaRonch given in Salt Lake City District Court on February 23, 1976 and said testimony relates the following. On November 8, 1974, Miss DaRonch was enticed into entering a light colored Volkswagen by a person she positively identified in court as Theodore Robert Bundy. This is the same person as identified by Mrs. Harter as discussed above. Miss DaRonch further testified that while in said Volkswagen, Bundy attempted to place a handcuff on Miss DaRonch. Further, Miss DaRonch stated that Theodore Robert Bundy, before she had a chance to escape attempted to strike her on the head with a crowbar. Miss DaRonch has further stated that Bundy was unsuccessful in his attempt to strike her and that she was subsequently able to escape.

Detective Thompson has related to your affiant that after the Bundy vehicle was seized, he personally was present when Miss DaRonch stated that said vehicle was that used by Bundy on November 8, 1974. The VIN # on the vehicle which Miss DaRonch positively identified was 118731185. This is the same VIN Number as that of the vehicle used when gas was purchased in Glenwood Springs on January 12, 1975 and January 13, 1975. Furthermore, Thompson stated that found in Bundy's vehicle when he was first arrested for a traffic offense on August 16, 1975, was a satchel containing handcuffs and a crowbar.

Theodore Robert Bundy, the same individual as that mentioned throughout this affidavit was convicted of first degree kidnap of Carol DaRonch; he was sentenced for second degree kidnap in this incident, and

according to Thompson and Yocum, is presently serving one to fifteen years in the Utah State Prison.

Based on the foregoing facts, your affiant has probable cause to believe that Theodore Robert Bundy did commit the crime of first degree murder in violation of C.R.S. 1973, 18-3-102, as amended. Therefore, I request that a warrant issue for the arrest of Theodore Robert Bundy from the District Court of Pitkin County, State of Colorado.

The Denver Post, Inc., John Rogers and Jim Kirksey, by their attorney Thomas B. Kelley of Yegge, Hall and Evans, hereby move this Honorable Court for leave to participate as amicus curiae in the hearing on defendant's motion to proceed in camera now scheduled for hearing on March 11, 1977.

As grounds for such motion, movants show to the court:

1. The Denver Post, Inc. is a Colorado corporation which is the publisher of a daily and Sunday newspaper styled, The Denver Post, a newspaper of general circulation throughout the State of Colorado and the Rocky Mountain States.
2. John Rogers is a citizen of the State of Colorado and is the managing editor of The Denver Post.
3. Jim Kirksey is a citizen of the State of Colorado and a newspaper reporter for The Denver Post.
4. As a newspaper and as newspaper reporters, movants are actively engaged in the dissemination of information to the public and, as an essential part of such function, movants observe and report the workings of the judicial process and thereby permit the public the opportunity to observe, discuss and scrutinize the administration of justice.
5. By his motion to proceed in camera, defendant Bundy would have this Court order that the news media and public be barred from attending the preliminary hearing and any and all hearings in this matter in which evidence is to be presented or discussed.

FINDINGS IN SUPPORT OF ORDER
FOR PARTIAL ATTORNEY FEES

Upon consideration of the Amended Motion of Kenneth
Dresner, Esq., for partial payment of attorney's fees, and
based upon the Court's familiarity with the proceedings in
this case,

IT IS FOUND THAT:

1. Defendant is charged with the crime of first
degree murder;
2. Defendant is indigent, and the Public Defender
of the State of Colorado was originally appointed by the
Court to represent him.
3. Subsequently, the Defendant was permitted to
represent himself and the Public Defender's role was changed
to that of advisory counsel.
4. As a result of a Deputy Public Defender being
named as a witness in People v. Bundy, Criminal Action No.
C-1635 in the Pitkin County District Court, the Public
Defender was permitted to withdraw as advisory counsel in
this case and, on June 16, 1977, Stephen A. Ware, Esq., was
appointed by the Court to act as advisory counsel; and on

THE PEOPLE VS. BUNDY

Judge Lohr-Johnston-Dills DA-Shaw

Defendant present with counsel, Leidner & DuMas. Matter coming on for hearing on Defendant's Pro Se Motion to Proceed as his own counsel. Court advises Defendant of the effects & possible consequences that could arise in attempting to represent himself and warns him in regard to possibility of self incrimination. Argument of Defendant. People make no objection to Defendant proceeding Pro se, but make the request that all future hearings be held in Glenwood Springs.

Defendant makes the following oral motions in addition to his motion to proceed pro se. (1) That the Public Defender continue to prepare the motions which are already set for filing on May 6, 1977. (2) That Court appoint Public Defender as advisory counsel and provide the services of their investigator to the Defendant. (3) That all documents be provided to the Defendant at his request. (4) That the Defendant have access to a phone once in the morning and once in the afternoon 6 days a week. (5) That Defendant be allowed to receive phone calls at anytime 7 days a week. (6) That Defendant be allowed access to complete law library for a 3 hr. period two afternoons a week. (7) That the Defendant be furnished the services of a secretary thru the Colo. Public Defender's Office. (8) That Defendant be supplied and allowed to maintain certain office supplies and equipment in his cell. (9) That Defendant be allowed to keep in his cell legal texts which he requests. (10) That Defendant be allowed to keep his work product in preparation for the case in his possession at all times. (11) That the Court enter a protective order preventing anyone from examining or seizing such work product or any communications between the Defendant and parties involved with this case, and finally for improvement of the conditions of his incarceration.

For a ruling on the above motions refer to Reporter's Transcript of the Court's Ruling filed on April 18, 1977. All other Motions which were not ruled upon in said transcript should be prepared in writing and filed with the Court by April 20, 1977. Said Motions to be the subject of a hearing on April 25, 1977 at 8:00 a.m. Court denies people's Motion to hold all future hearings in Glenwood Springs. At the request of the Public Defender, Court grants motion that reporter prepare transcript of the ruling in this hearing and furnish it to all parties. The Public Defender is to be furnished copies of anything that is filed in this action in the future in order to be informed in their capacity as advisory counsel

Judge Lohr-Johnston-Dills DA-Shaw

Defendant present with counsel, Leidner & DuMas. Matter coming on for hearing on Defendant's Pro Se Motion to Proceed as his own counsel. Court advises Defendant of the effects & possible consequences that could arise in attempting to represent himself and warns him in regard to possibility of self incrimination. Argument of Defendant.

People make no objection to Defendant proceeding Pro se, but make the request that all future hearings be held in Glenwood Springs.

Defendant makes the following oral motions in addition to his motion to proceed pro se. (1) That the Public Defender continue to prepare the motions which are already set for filing on May 6, 1977. (2)

That Court appoint Public Defender as advisory counsel and provide the services of their investigator to the Defendant. (3) That all

documents be provided to the Defendant at his request. (4) That the

Defendant have access to a phone once in the morning and once in the afternoon 6 days a week. (5) That Defendant be allowed to receive

phone calls at anytime 7 days a week. (6) That Defendant be allowed access to complete law library for a 3 hr. period two afternoons a

week. (7) That the Defendant be furnished the services of a secretary thru the Colo. Public Defender's Office. (8) That Defendant be supplied and allowed to maintain certain office supplies and equipment in his cell

(9) That Defendant be allowed to keep in his cell legal texts which he requests. (10) That Defendant be allowed to keep his work product

in preparation for the case in his possession at all times. (11) That the Court enter a protective order preventing anyone from examining

or seizing such work product or any communications between the Defendant and parties involved with this case, and finally for improvement of the conditions of his incarceration.

For a ruling on the above motions refer to Reporter's Transcript of

the Court's Ruling filed on April 18, 1977. All other Motions which were not ruled upon in said transcript would be prepared in writing and filed with the Court by April 20, 1977. Said Motions to be the

subject of a hearing on April 25, 1977 at 8:00 a.m.

Court denies people's Motion to hold all future hearings in Glenwood

Springs. At the request of the Public Defender, Court grants motion that reporter prepare transcript of the ruling in this hearing and

furnish it to all parties. The Public Defender is to be furnished

copies of anything that is filed in this action in the future in order to be informed in their capacity as advisory counsel
